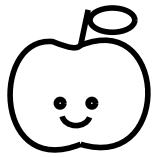
Mission 1: Open the Market!

Read the shelf tags. All prices are for one item.



Apple
25¢ each

Banana
35¢ each

Carrot
40¢ each

Bread
55¢ each

Use cents (¢) for every answer. 100¢ = $1. These pretend prices include tax. There are no extra fees.

1 Pack a snack

Buy one apple and one carrot. What is the total cost?

 + = _____ ¢

SHOW YOUR THINKING: ADD THE TWO PRICE TAGS

2 Pay with 100¢

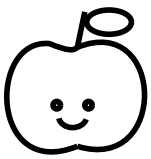
Use your total from Puzzle 1. How much change do you get?

100¢ − _____ ¢ = _____ ¢

Prices include tax.

Check the Lunch Receipt

The shelf prices are repeated so you can check each clue.



Apple
25¢ each

Banana
35¢ each

Carrot
40¢ each

Bread
55¢ each

3 Finish the receipt

Buy one bread loaf and one apple. Fill in the total.

MINI-MARKET RECEIPT

Bread	55¢
Apple	25¢
TOTAL	**___¢**

MY ADDITION

_____

_____

_____

_____

4 Count the change

Pay 100¢ for the receipt in Puzzle 3. How much change comes back? Complete the check below.

Total _____ ¢ + change _____ ¢ = 100¢

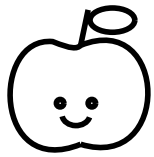
MISSION COMPLETE

Color your star after checking both pages.

Prices include tax.

Mission 2: Stock & Shop

Use the same market prices. Count every item once.



Apple
25¢ each

Banana
35¢ each

Carrot
40¢ each

Bread
55¢ each

5 Check the shelf value

The shelf below holds 4 apples and 3 bananas. What is their total price? Add the prices once for each item.

SHELF VALUE: _____ ¢ / WRITE YOUR SUM HERE

6 Find the missing receipt line

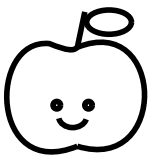
A receipt lists 2 carrots and 1 bread loaf. The total is 135¢. What is the carrot line total (both carrots together)?

Carrots _____ ¢ + bread 55¢ = 135¢

Prices include tax.

Finish the Shopping Mission

One careful check can catch a mixed-up receipt.



Apple
25¢ each

Banana
35¢ each

Carrot
40¢ each

Bread
55¢ each

7 Find the exact pair

Choose exactly TWO DIFFERENT items. Their prices must add to 75¢. Circle them on this shelf, then write their names.

_____ + _____ = 75¢

CHECK YOUR PAIR: WRITE BOTH PRICES

_____

_____

8 Check the final change

For the 135¢ receipt in Puzzle 6, pay 200¢ ($2). How much change comes back?

135¢ + _____ ¢ = 200¢

Tip: count up to the next ten, then to 150¢, then to 200¢.

MISSION COMPLETE

Color your star after checking both pages.

Prices include tax.
