Big smiles. Smart shopping.

Step into a market full of friendly puzzles!
Explore six stalls with price tags, receipts,
budget clues, and cheerful market helpers.
Add prices. Check totals. Work out change.
Then color a Mission Complete star.

100 NUMBERED PUZZLES

Build skills one mission at a time.

EXPLAINED ANSWERS

Check the steps, not just the result.

For curious kids ages 7-9 • Grades 2-3

All activities use fictional US-cent prices.
No shopping trips or special supplies needed.

Mini-Market Math Missions

100 Fun Math & Logic Puzzles for Kids Ages 7-9
